Mount Vernon Street Bridge

Date: c. 1885

Location: Spans Sleepers River on Mount Vernon Street,  
St. Johnsbury, VT.

Built by: Berlin Iron Bridge Co.

Owner:

Significance: Lenticular pony truss bridge with pin connections. This  
type of structure was made only by Berlin Iron Bridge Co.  
of East Berlin, Ct. It is a good representative sample  
of their small bridge design.
